

### *THANK YOU FOR JOINING US AT OUR 2018 FALL MISSIONS BRUNCH!*

**Wally Kulakoff**, Mission Eurasia; **Sam Hardman**, MPF President; & **Steven Modricker**, Rishama International

Following a delicious buffet meal, MPF President, Sam Hardman, reviewed the projects that MPF completed in 2018—projects equipping missionaries in Asia, Africa, the Caribbean, Central America, Europe, and the Middle East.

After several selections from our choir and some mission video highlights, Steven Modricker, of Rishama Int'l, spoke about their work in Nigeria to help needy children.

## UPDATE ON PROJECTS #477 & #565

### Project #477 - HAITI "Feminine Training Center"

This project was originally completed almost ten years ago. Below is an update from CWO, explaining how this ministry is still helping women today!

\* \* \* \* \*  
Katrina B. (pictured on left in the photo) was led to the Feminine Training Center (FTC) by her grandmother after she returned to Haiti from abroad. There she took the **Cooking & Baking Class**, graduated, and is

now working at a hotel in Petion-Ville, Haiti.

We are also excited to see God at work in the lives of three sisters, two who are enrolled in the **Cooking & Baking Class** and one in the **Sewing Class**. The FTC has made a difference in the lives of so many women!

#### Equipment Funded:

- 6 Gas Stoves
- 30 Kenmore Sewing Machines

### Project #565 - BURKINO FASO "Village of Opportunity School"

Similar to the training center mentioned above, the Village of Opportunity (VOO) in Burkina Faso, West Africa, offers young women Christ-centered education and training. The women who live there full time until

graduation were in need of furniture and equipment for their dorm rooms (see list of equipment below). This project was originally completed by MPF in 2013.

The VOO currently has 60 students and offers classes in sewing, cosmetology, and agriculture. Last year, 23 out of the 25 graduates decided to take the national exam and 20 of those young ladies passed! Students who graduate at the top of their class have the opportunity to become teachers at the school as it grows or to participate in micro-finance loans and open businesses of their own.

#### Equipment: (Items for the school dorms)

- 5 Bunk Beds, 10 mattresses, 2 Kitchen Tables with 8 Chairs, 20 mosquito screens, and 30 Night Stands

Love the Lord your *God* with all your *heart* and with all your soul and with all your mind.  
- Matthew 22:37

*"Love is patient, love is kind. It always protects, always trusts, always hopes, always perseveres. Love never fails."*  
1 Corinthians 13:4,7-8

*Love* your neighbor as yourself.

## # 644 ONEWAY AFRICA

Project Cost: \$8,500

**Namongbain Village Project:** OneWay Africa focuses on unreached people groups in Northern Ghana. Among them are the Komba people. To reach them, missionaries will develop relationships by giving them **water filtration systems** (\$35 each) and distributing **solar-powered BiblePlus+ audio players** (\$50 each). MPF will provide a filtration system and an audio player for each of the 100 families in this village.

**Update:** Funding for 50 filtration systems has been raised through our GoFundMe page. **THANK YOU!** \*Donations are still needed for 50 more.

## # 645 INT'L COOPERATING MINISTRIES

Project Cost: \$10,000

- SOUTH ASIA

ICM reaches out to people groups in South Asia where there is little to no Bible teaching available and where most of the people are illiterate. Part of this project is for **550 solar-powered Audio Players**, pre-loaded with established biblical material called the *Mini Bible College*. This is taught at a level that is easy to understand and in their heart language. They also need **40 USB Flash Drives** with the same Bible material installed on it.

## # 646 THUNDERZOLL, INC.

Project Cost: \$8,250

- INDIA

After receiving ten bunkbeds that MPF funded in 2018, Pastor Enosh and the children at Peace Children's Home were so grateful! We were recently informed that there is a need for more beds because there are still children sleeping on mats on the dirt floor. MPF will fund **15 metal bunk beds** (\$250 each).

Pastor Enosh also works with over 250 village pastors who go into unreached villages with the Gospel. They're asking for **3 motorcycles** (\$1,500 each) to help them reach even more villages. [www.thunderzoll.org](http://www.thunderzoll.org)

## # 647 SAT-7

Project Cost: \$11,040

- CAIRO, EGYPT

SAT-7 is a satellite television station broadcasting in the Middle East and North African regions where they produce Christian programs in Arabic, Farsi, and Turkish languages. About eighty-percent of these programs are created entirely by Middle Eastern Christians. They are in need of **two Mac-Pro media powered computers** along with **keyboards** and **memory upgrades** for their TV studio in Egypt.

## # 648 CENTRO SHALOM TIJUANA, INC.

Project Cost: \$10,000

- TIJUANA, MEXICO

People in Tijuana living in poor communities are needy in many areas of life. Centro Shalom pursues these people for Christ by nurturing relationships through humanitarian programs, life skills training, and spiritual teaching.

A missionary who works in several of the poorest communities is in need of a **ministry van**. This woman teaches English, mentors women, organizes backyard VBS programs, and collects and distributes blankets in each community. A van will help her transport children and adults to Sunday and Thursday services and activities.

The Mogogosiek Baby Home is one of eight homes in the Chariots For Hope network. Staff members, who are all Kenyan nationals, serve the youngest and most vulnerable children. Most of the staff are young women who share living quarters, but Chariots is hoping to build **separate living accommodations** on campus for their Assistant Manager and her family.
