

### Introducing... BOLD HOPE

After the devastation of the 2010 earthquake in Haiti, brothers **Andrew and Matthew Jones** felt called to do something that would create a lasting, sustainable impact in poor Haitian communities. That same year they started a non-profit ministry called Poverty Resolutions located in Bucks County, PA.

MPF completed its first project for this ministry in 2017. In May of this year, they changed their name to **BOLD HOPE**, but their mission remains the same—to put into action various methods of helping the needy and to inspire hope in the people they serve.

Bold Hope knows that there can be no real hope without a saving knowledge of Jesus Christ. For that reason they offer a quality Christian education to Haitian youth in the community through their Child Development Program which currently has grades Pre-K through 2nd grade. This year they are making plans to add 3rd and 4th grades. Gifts given at our Missions Brunch will help them achieve this goal. See Page 3 for more information on **Project #655** for Bold Hope.

#### **EMPOWERING**

*for long-term impact*

- education initiatives
- trafficking prevention
- medical care • orphan care
- vocational training
- child & youth development

#### **CONNECTING**

*communities worldwide*

- child sponsorships
- giving campaigns
- raising awareness
- events/fundraising
- volunteer trips

#### **TRANSFORMING**

*lives through kingdom preparation*

- pastor/leadership training
- discipleship/mentorship programs
- Bible studies
- pastor & missionary support
- church partnership/church planting

Tickets:

I am unable to attend but would like to give a financial gift of \$ \_\_\_\_\_

# New Christian School in Nigeria

## UPDATE ON PROJECT #640 FOR RISHAMA INTERNATIONAL

A brief report on last year's 2018 Brunch Fundraiser project:

- This project supports the *Rishama Faith and Hope International Christian Academy* for high school boys and girls.
- The school is located in the Keffe region of Nigeria.
- MPF supplied funds for **roofing materials** for the Girls' Hostel and Administrative Buildings.  
(see photos below)

### OPENING DAY was September 7, 2019!

More than two hundred students have registered to begin classes this fall!

Outside the newly painted Girls' Hostel

Photo from Spring 2019 shows outer wall plastering half-way done on the Administrative Building

Don Jones (Rishama Board Member) meets some of the new students at the school.

## 2019 COMPLETED PROJECTS

- #642 UIM Int'l-Aviation (Mexico & USA) \$9,985
- #643 Reach Beyond (Central Asia) \$10,000
- #644 OneWay Africa (Ghana) \$8,500
- #645 Int'l Cooperating Ministries (South Asia) \$10,000
- #646 ThunderZoll, Inc. (India) \$8,250
- #647 SAT-7 (Cairo, Egypt) \$11,040
- #648 Centro Shalom Tijuana, Inc. (Mexico) \$10,000
- #649 Chariots for Hope (Kenya) \$9,783
- #650 ORPHANetwork (Nicaragua) \$2,692
- #651 Refuge for the Poor (Cambodia) \$4,963
- #652 Christian World Outreach (Burkina Faso, West Africa) \$3,500

**My faith is to rest not in the outcome  
I think God should work out for me.  
MY FAITH RESTS IN WHO GOD IS...  
the quietness of my heart  
is the fruit of an  
absolute confidence in God.**

\* The projects below are dependent on the financial support of God's people \*

## # 653 AFRICAN CHILDREN'S MISSION - UGANDA

Project Cost: \$ 10,000

African Children's Mission (ACM) reaches out to children living in destitute conditions through child sponsorships, school feeding programs, community clean water projects, and more. They need a replacement **truck** at their headquarters in Uganda, located on a dirt road many miles from the nearest paved highway. It is used to transport sick and injured children to hospitals, deliver food to schools, transport supplies and VBS materials to the communities, and much more. [www.africanchildrensmission.org](http://www.africanchildrensmission.org)

## # 654 CEF MINISTRIES - BELIZE

Project Cost: \$ 1,812

CEF-Belize partners with local churches to go into neighboring communities and share the Gospel with children through Good News Clubs. Last year they brought on two new staff members to help with this effort. Their national office has almost no furnishings or equipment to conduct trainings and provide materials for their teachers. They need several pieces of equipment to reach 15,000 children this year: **12-inch Laminator \$124; Video Projector \$763; and Photocopier \$925** <http://cefnacaribbean.com/>

## # 655 BOLD HOPE (FORMERLY: POVERTY RESOLUTIONS) - HAITI

Project Cost: \$14,500

Because it costs money to attend school in Haiti, many disadvantaged children are unable to afford it. Bold Hope wishes to break the cycle of poverty by offering a quality Christian education at minimal cost through their Child Development Program. They currently offer Pre-K through 2nd grade, but because of the vast need they are adding 3rd and 4th grade this coming school year. They need help obtaining the proper equipment and curriculum for the new classrooms. <https://boldhope.org/>

Photo by Zish Vassell on Unsplash

**Equipment:** 30 desks & chairs \$4,000 Instruments for music classes \$750  
Textbooks/workbooks @ \$25 per child \$3,950 Library tables & bookshelves \$1,000  
Seven computers \$4,200 Additional Bibles & books \$600

2019 Fall Brunch Fundraiser!

## # 656 CHRISTIAN MISSION FOR THE DEAF - NIGERIA

Project Cost: \$ 4,500

Christian Mission for the Deaf (CMD) is committed to liberating deaf people from the bondage of illiteracy, poverty, joblessness, and their damaging effects. They have over 29 deaf churches spread throughout Nigeria, plus a school for deaf children. They need funding to purchase materials for **120 metal double-seat school desks** for their school in Ibadan, Nigeria. (That's only \$37.50 for one desk!) The ones they are using now are quite old and not very sturdy for the students (see photo far right). <http://cmdeafng.com/>

**Update:** Contributions through our **GoFundMe** page and private donations have raised enough funds to cover the cost of 28 desks so far. **Thank you to everyone who contributed to this need.**

## # 657 INT'L COOPERATING MINISTRIES - SOUTH AFRICA

Project Cost: \$ 10,000

Christians in Africa are in dire need of Bibles and discipleship materials. Many pastors in South Africa are poorly equipped to teach, and having no depth of biblical knowledge leads many to take misguided approaches to the gospel. ICM teamed up with *Judea Harvest* to give these pastors a two-week training course and instruct them to use audio-players loaded with the Mini Bible College (MBC). ICM is asking for **484 solar-powered audio players** (\$20.67 per device). <https://www.icm.org/>

## # 658 UIM INTERNATIONAL - CANADA

Project Cost: \$ 6,875

UIM-Canada operates a Bible camp near Houston, BC, called *Rock Nest Ranch*. It exists to bring the gospel of Christ to indigenous youth and adults through camp and training times. They have recently built a lodge that will allow the ministry to operate year-round instead of just in the summer. This project will cover the cost of new bunk beds; they will need **25 bunk beds** (that's only \$275 per bed) to accommodate 50 campers. <http://www.rocknestranch.org/>

## # 659 LIVING HOPE GLOBAL MINISTRIES - HONDURAS

Project Cost: \$ 4,653

In addition to empowering the local church, Living Hope Global wants to show the love of Christ to the people of Honduras through their Outreach Programs. They are nearing the end of a building project which will provide housing for short-term missions teams from the States and will also serve local pastors that attend ongoing leadership training. They are in need of a Briggs & Stratton **20-kilowatt stand-by generator** that is able to run the entire compound when there is a power outage.

<https://www.livinghopeglobalministries.org/>

## # 660 SHARE EDUCATION SERVICES - WORLDWIDE

Project Cost: \$ 3,948

SHARE's ministry targets the specific needs of missionary children's education. Each year SHARE serves hundreds of families, helping them understand their educational options and implementing them successfully. Education assessment through academic testing has become an important part of this process and SHARE would like to transition from using paper tests to utilizing iPads for this important task. <https://www.shareeducation.org/>

### Equipment Needs:

6 iPad Air Tablets (\$499 each) and 6 Smart Keyboards for the tablets (\$159 each)

## # 661 HOPE'S PROMISE - NEPAL & VIETNAM

Project Cost: \$ 5,991

With their unique model of orphan care, Hope's Promise places from 1-10 children into families with indigenous Christian house parents to care for them. They continue to partner with them to help provide for their physical, emotional, social, and spiritual needs. <https://www.hopespromise.com/>

Equipment/supplies needed: bedding, laptops, wardrobe closets, bookshelves, office chair, cabinet, student tables, electric motorbike, bicycle, refrigerator, bamboo mat, air conditioner, and electric dryer.

## # 662 FAITH COMES BY HEARING - KAMPALA, UGANDA

Project Cost: \$ 5,497

In the past, FCBH has focused on reaching people with God's Word through audio listening devices, but as the world becomes more urban and technologically advanced, they have seized an opportunity to expand into the field of visual learning.

In partnership with other organizations, they are taking part in a *90-Day Bible Listening Campaign* which will engage people in daily Bible listening through the Audio Bible app on smartphones. They hope to form as many as 4,000 listening groups and in time provide them with an opportunity to watch a Gospel film in their heart language. The film combines the FCBH Audio Bible recordings with LUMO videos to create a high-quality video. This project is specifically focused on people groups in Kampala, Uganda. <https://www.faithcomesbyhearing.com/audio-bibles/gospel-films>

Equipment needed: 20 Projector Kits (one video, screen, & speaker per kit)

*Gifts in  
Honor of:*

Bill Hardman (Birthday)  
Given by Sam & Mary Lou Hardman

*Gifts in  
Memory of:*

Mark Rickert  
Given by Blanche Rickert

## Modern Equipment Makes a More Efficient Missionary

Missionaries around the world depend on reliable equipment to accomplish their outreach goals. To partner with our ministry and the projects we fund, simply mail a check to the address below or VISIT OUR WEBSITE to give a one-time gift or sign up to give monthly!
